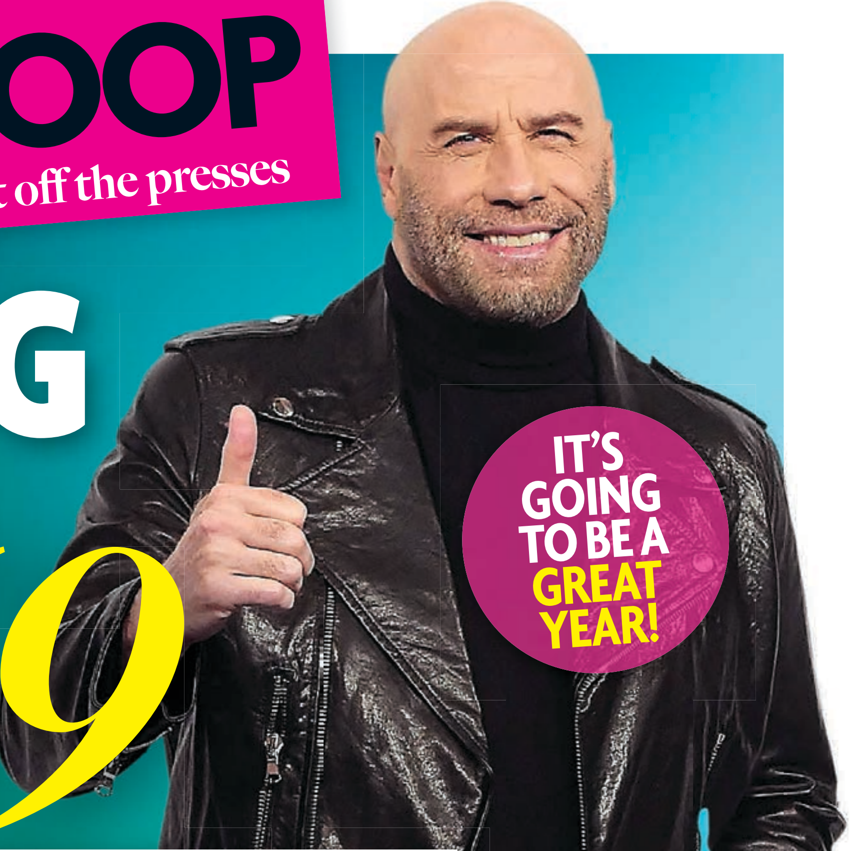
LOVING LIFE *at* 69

AFTER HEARTBREAKING LOSS, JOHN TRAVOLTA RINGS IN HIS BIRTHDAY WITH A VEGAS-THEMED BLOWOUT!



IT'S GOING TO BE A GREAT YEAR!

FEBRUARY was a banner month for **John Travolta**. First, the *Grease* alum reprised "Summer Nights" for a Super Bowl ad alongside **Zach Braff** and **Donald Faison** watched by 113.1 million people Feb. 12. "He had a blast," an insider tells *Star*. Then the star celebrated his Feb. 18 69th birthday with a *Viva Las Vegas*–themed blowout. Dressed in formalwear, daughter Bella, 22, and friends boarded John's personal jet, where they were served up steak and martinis by uniformed staff. The party continued once they landed, with more revelry at one of the city's famed shows as well as at the gaming tables. Posting a mockup of an old TWA advertisement on Instagram, John — who dubbed his plane Travolta World Airlines for the event — wrote, "I wanted to make my favorite childhood airline poster come to life for my birthday!"

It's been a tough few years for the actor, who lost his beloved wife, Kelly Preston, to breast cancer in 2020 and good friend and *Grease* love interest Olivia Newton-John to the disease in August. Friends were delighted the New Jersey native seems back to his old form, says the insider. "He's showing signs that he's doing well and looking ahead to the future," adds the source. "He's in a good place and his friends know it took a long, long time to get there." ★

BIG FUN

John sang with Donald and Zach in the T-Mobile ad (top) and partied with daughter Bella on his birthday.

FEARS FOR K-STEW

A TIRED-LOOKING **KRISTEN STEWART** HAS GONE BACK TO HER PARTYING WAYS.

SHE NEEDS SOME REST!

Kristen Stewart marked her 30th birthday in April 2020 by giving up some vices. "I woke up that day and was like, 'You need to get your ass in gear,'" the actress, now 32, later said. "I was drinking too much... so I stopped drinking and smoking."

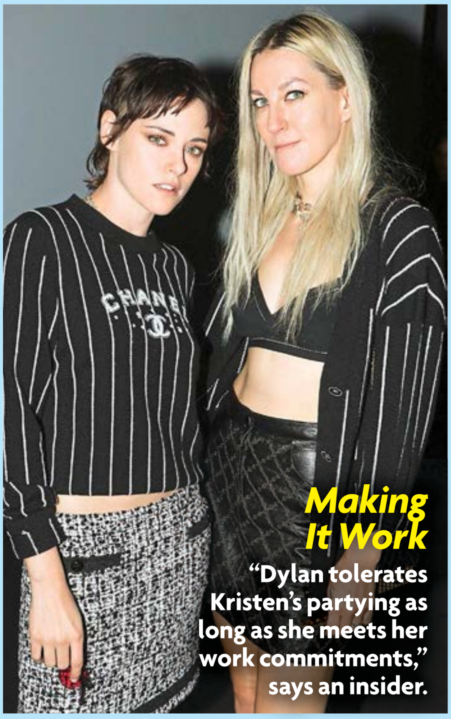
That was then, cut to now. Insiders tell *Star* that the Oscar nominee is back to her old ways — and friends are concerned. The *Spencer* actress recently looked a little worse for wear at the Berlin Film Festival and has been spotted puffing away on cigarettes. "Kristen's a strong believer in working hard and playing hard," says the insider, noting that the *Twilight* vet has been toiling on her upcoming directorial debut, *Chronology*. "She values her right to blow off steam, but the worry is she may be overdoing it — she looks to be in desperate need of quality sleep and fresh air!"

One person who is less concerned is Kristen's fiancée, screenwriter **Dylan Meyer**. "Dylan doesn't discourage her from blowing off steam," adds the insider. "They've found a happy medium in their relationship where they can work together, play together and celebrate together without policing each other's behavior too much."

Whether that will change once the duo are wed remains to be seen. "Kristen has always had self-discipline to stop," says the insider, "before things get dangerous." ★

Cutting Loose

Since finishing up promotion for *Spencer*, Kristen has been letting off steam, says an insider.



Making It Work

"Dylan tolerates Kristen's partying as long as she meets her work commitments," says an insider.

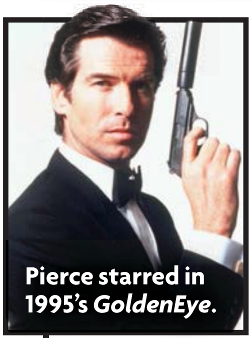
FINDING THE FUNNY?

South Park was up to its old tricks in a recent episode that seemed to skewer **Harry** and **Meghan**, the Duke and Duchess of Sussex. On the ep, titled "The Worldwide Privacy Tour," the "Prince and Princess of Canada" — looking suspiciously like the real royals — are shown on a publicity tour for the Prince's memoir, *Waaagh*, a nod to Harry's new book, *Spare*. While a source tells *Star* the couple was "upset" over the episode, the pair broke their silence to debunk a report that they planned to sue. "This is baseless and boring," Harry, 38, and Meghan, 41, said via a spokesperson.

It's all part of an effort to move away from the perception that the duo is touchy and humorless. "Harry and Meghan seem to be making a genuine effort to appear 'normal' and able to take a joke," says the insider, pointing to Meghan pulling a prank on **Ellen DeGeneres**' show and Harry downing tequila with **Stephen Colbert**. "They're tired of being talked about as this whiny couple." ★

GETTING THE JOKE!
STOP LOOKING AT US!
WE WANT OUR PRIVACY!!

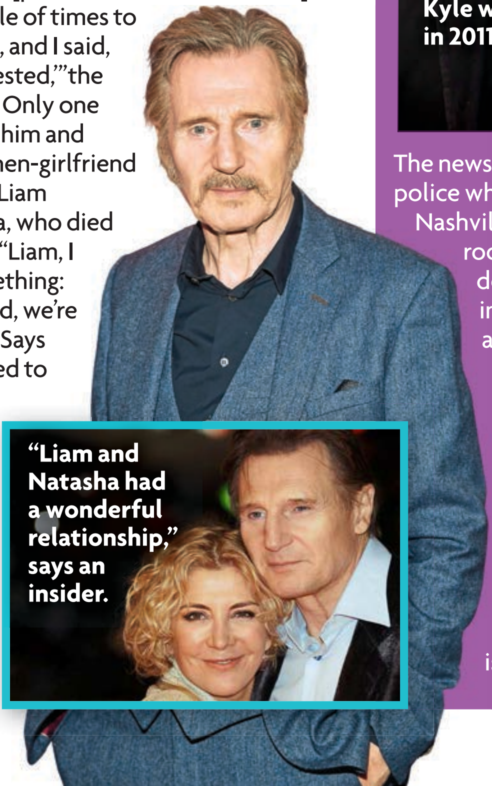
The show dubbed Meghan a "sorority girl, actress, influencer and victim."



Pierce starred in 1995's *GoldenEye*.

NO BOND FOR LIAM!

Pierce Brosnan owes **Liam Neeson** some thanks. In a recent interview, the Oscar winner revealed that he was a shoo-in to play James Bond in the 1990s, before Pierce, 69, landed the role. "They looked at a bunch of actors. *Schindler's List* had come out and [producer **Barbara Broccoli**] had called me a couple of times to ask if I was interested, and I said, 'Yes, I would be interested,'" the 70-year-old recalled. Only one thing stood between him and 007, however — his then-girlfriend Natasha Richardson. Liam remembered Natasha, who died in 2009, warned him, "Liam, I want to tell you something: If you play James Bond, we're not getting married." Says an insider, "She refused to marry a man who was getting into bed with all these beautiful girls, even if it was just acting." Liam has no regrets, says the insider. "He clearly valued his relationship with Natasha more than his career." ★



"Liam and Natasha had a wonderful relationship," says an insider.

Kellie and Kyle wed in 2011.

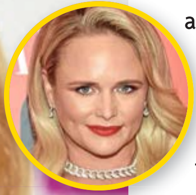
KELLIE'S HEARTBREAK

The news was shocking. On Feb. 17, **Kellie Pickler** alerted police when she couldn't find her husband, Kyle Jacobs, in their Nashville home and was unable to open the door to one room. Police arrived to find the 49-year-old songwriter dead from an apparent self-inflicted gunshot, saying in a statement, "His death is being investigated as an apparent suicide."

His death has left Kellie reeling. Just the day before, Kyle had celebrated his career success on Instagram. "Platinum?! SWEEEET!!!" he wrote of his work on **Lee Brice**'s *Hey World*. The *American Idol* alum is "in anguish," an insider tells *Star*. "She's wrestling with a lot of emotions and trying to understand what has happened." Fortunately, she's not alone. The source says friends like **Carrie Underwood**, **Katharine McPhee** and **Taylor Swift** are rallying around the 36-year-old. "They're letting her know how loved she is," adds the insider. "Everyone's in a state of shock." ★

Star DISH

Miranda, Maren and Ashley (from top) are "threatened" by Gwen, says an insider.



ICED OUT BY COUNTRY MEAN GIRLS

Gwen Stefani has been married to country great **Blake Shelton** since 2021, but the 53-year-old hasn't exactly been welcomed by the ladies of Nashville. Sources tells *Star* a group of "mean girls" — including Blake's ex **Miranda Lambert**, **Maren Morris** and **Ashley McBryde** — are appalled that the former No Doubt singer has been branching out into country music. "They're doing their best to make her entry into this tightknit society difficult," says an insider. "These country gals take offense that a pop star would have the gall to even want to be a country singer."

The insider says Miranda and her clique are even badmouthing the mom of three around town! "They put in these subtle digs," says the insider. "Like making fun of Gwen's singing, her bleach-blond hair and overall style, which they think is tacky."

Good thing for Gwen her husband is Mr. Popular. "She sings with Blake at his Ole Red Bar and he has his own posse of country pals who are willing to work with Gwen and help her career," says the insider. "They've even offered to write songs for her." ★

STAR SPOTS THE STARS

★ **Tayshia Adams**, treating herself to a Baileys Espresso Martini at the Hervé Léger Fall/Winter show at New York Fashion Week.

★ **Bobby Flay**, taking the stage at the Players Tailgate 2023 benefit presented by Bullseye Event Group, in Glendale, Ariz.

★ **Stacey Bendet**, toasting her Alice + Olivia Fall collection with Astral Tequila, in New York City.

★ **Paige DeSorbo**, stepping out in NYC wearing the Panera Baguette bag.

★ Philadelphia 76er superstar **James Harden**, celebrating the launch of J-Harden Wines at Sei Less, in New York City.

★ **Dave Navarro**, dropping by The Moon Is Yours with TUD Toy and PunkMeTender during Frieze L.A., in Hollywood.

★ **Cindy Crawford**, dining at Nobu, in Malibu, Calif.

TELLING HER STORY!

WHO WILL PLAY ANNA NICOLE?

Pamela Anderson isn't the only blond bombshell back in the news. The tragic life of Anna Nicole Smith will soon be both the subject of a Netflix documentary and a biopic — that is, if all the pieces fall into place. "Even 15 years after her death, Anna's world is filled with fringe characters and hangers-on," an insider says of the doc. "Getting the handful of living people who knew the 'real' Anna Nicole to sit down on camera has been difficult."

The biopic, *Hurricanna*, also hit a snag. While **Holly Hunter** is is said to have signed on to play Anna Nicole's therapist, who spends a desperate 36 hours trying to prevent the *Playboy* model's accidental 2007 overdose, the main role remains open after *Glow's* **Betty Gilpin** dropped out. "It was a real blow to lose Betty," says the insider. "Producers are being patient to find the right candidate." ★

Holly has signed on to the flick from *Killing Eve* director Francesca Gregorini.

Betty's dad plays Church the butler on HBO's *The Gilded Age*!

Bonded for Life

Despite some hiccups at home, Katy and Orlando "are a great team when it comes to their daughter" Daisy (below), says a source.

MAKE IT WORK!

Katy & Orlando's RELATIONSHIP STRUGGLES

Katy Perry and **Orlando Bloom** have been butting heads.

It's not all double rainbows and fireworks for **Katy Perry** and **Orlando Bloom**. The *Pirates of the Caribbean* star recently revealed that navigating his seven-year relationship with the "Teenage Dream" singer can be "really, really, really challenging." Now a source confirms that the pair's demanding schedules and disparate Hollywood careers sometimes have them feeling like they're hanging on by a thread. "They were both so independent when they got together," the source says of the pair, who met at a 2016 Golden Globes party. "They're both very opinionated about the way things should be done, so there are times they butt heads."

The actor, 46, explained that his career puts him in a "very different pool" than that of the *American Idol* judge, 38, which can lead to mixed messages. "Her pool is not a pool that I necessarily understand," he noted.

Despite occasional tension, the parents to 2-year-old daughter Daisy are committed to staying together, claims the source — and determined to make it down the aisle after being engaged for four years. "People are starting to question what the holdup is, but Katy and Orlando don't seem too concerned," admits the source. "But Katy and Orlando are both very clear that they're in it for the long haul and are both devoted to Daisy. Sometimes they don't see things the same way, but what couple doesn't deal with that?" ★

AND
ABOUT!

Florence's NEW MAN

Zach who? Harry who? After her love life made headlines, **Florence Pugh** recently went public with her new boyfriend, photographer **Charlie Gooch**. Now a source tells *Star* the pair have been together for some time but finally decided to show their love on a stroll in their native England: "They're just too happy together to keep hiding." Following her breakup from **Zach Braff** last year (and a rumored smooch with costar **Harry Styles**), Florence, 27, started spending time with Charlie, 26, whose work she has called "beautiful and different" after he shot her for the 2021 *Black Widow* press tour. "For the longest time they were just good friends, and she loves that they already had this foundation," says the source. "It's a huge plus that he lives in London — that's where she feels at home. In a lot of ways, Charlie makes more sense for her than Zach ever did." ★

BABY NO. 2 FOR *Constance Wu*

Bun's in the oven, cat's outta the bag! After keeping her entire first pregnancy with her daughter, born in 2020, a secret, *Fresh Off the Boat* alum **Constance Wu** debuted a baby bump on Instagram this month, and is reportedly nearing her due date with baby No. 2. "She's private in general, but especially when it comes to pregnancies," says a source of the *Crazy Rich Asians* star, who's "thrilled," per the source, to be expanding her family with her longtime partner, musician **Ryan Kattner**. The 40-year-old opened up in her memoir, *Making a Scene*, about how her first pregnancy helped heal an estrangement with her own mother. "I didn't speak to her, not even an email, and that's on me," she later said. "But the beautiful thing about being pregnant is it sort of brought us together again... and we've continued building a wonderful relationship." ★

Stephanie RYAN & EVA'S THIRD WHEEL

With these guys, three is no crowd. **Stephanie Hsu**, an Oscar nominee for *Everything Everywhere All at Once*, has grown tight with A-listers **Ryan Gosling** — her costar in *The Fall Guy* — and his wife, **Eva Mendes**. A source says the 32-year-old impressed Ryan, 42, and Eva, 48, while they were on location in Australia shooting the upcoming action flick. "Both her personality, and what she's brought to the table in the movie." The low-key couple, parents to daughters Esmeralda, 8, and Amada, 6, are known for staying "insular," says the source. "It's almost always just their little family unit and a few key people in their circle. But they've hosted some dinners for the cast, and their friendship with Stephanie grew. She brings out the comedian in Ryan and fits in great!" ★

announced their engagement Feb. 19: "We said yes!"

Losing It

GOING BROKE! BETWEEN BAD BUSINESS DEALS AND OVER-THE-TOP SPENDING HABITS, THESE HOLLYWOOD STARS HAVE SUFFERED MAJOR MONEY WOES.

Kim and her former football player hubby defaulted on a $1.65 million loan, according to Fulton County, Ga.

Khloé lives next door to her mother, Kris Jenner, in Hidden Hills, Calif.

Kim's Losing Her House

ON Feb. 19, **Kim Zolciak-Biermann** took to Instagram to share a video of her husband, Kroy, vacuuming inside their Atlanta home in his underwear. "Get yourself a man that does it all, folks, okay? Mhm...yes sir," the reality star wrote. The post was surprisingly light-hearted considering the news that the couple's mansion is in foreclosure — and is scheduled to be auctioned off March 7 at the Fulton County Courthouse.

According to a source, the *Real Housewives of Atlanta* alum — who took out a $1.65 million loan on the property in 2012 — is in denial. "She's saying it's a 'misunderstanding,' but the bank wouldn't foreclose unless Kim and Kroy were behind on their payments," explains a source, noting friends believe the "Tardy for the Party" singer's lavish lifestyle is to blame. "She bought a $30,000 couch and had to have a built-in hair salon. She also has a closet full of Chanel and Gucci," adds the source. "She and Kroy have no clue about money. That's why they're in this predicament."

Risky Business

"Kim gambles, and she has very expensive taste," says a source.

All

Heidi later said she regretted her headline-making multiple plastic surgeries.

Price of Fame

"We got way too caught up," says Heidi of overspending.

Heidi Wasted Millions

DURING Speidi's heyday, *The Hills* stars **Heidi Montag** and husband **Spencer Pratt** raked in a sizable fortune, but the reality-TV couple later admitted they blew through $10 million in just two years, spending big on her pricey designer wardrobe, household staff and Heidi's 10 plastic surgeries. "Heidi was consumed by fame and all that went with it," says a source. Desperate to recuperate some of their losses, the pair took any paying gig they could find, including cheesy staged photo ops and stints on *I'm a Celebrity… Get Me Out of Here* and *Marriage Boot Camp*. "It was humiliating having to hustle for cash," says the source, "but they needed the paychecks." Now Heidi is more content living out of the spotlight. "She and Spencer are happy and only taking on things that really appeal to them. It's not about the money anymore." Current net worth? $300,000.

Missed Payment

"Khloé's not the type to stiff anyone intentionally," insists a source.

Khloé: Sued by Staffer

A former staff member is suing **Khloé Kardashian**, claiming the Good American founder owes him money and that he was so overworked he couldn't take legally required breaks. While Khloé's legal rep denied the accusations and called the suit "frivolous," a source tells *Star* the *Kardashians* star "is known for having a huge staff," adding, "There are some people who wonder if she's overstretched herself with too many folks on the payroll."

It's a common problem for celebs, says Bobbi Rebell, founder of Financial Wellness Strategies. "They end up with a personal ecosystem to support, including support staff like personal assistants and stylists." The source concurs that it can be challenging for the reality star to keep track of just how much she's paying out. "It's easy for Khloé to forget how many people she employs sometimes," says the source. "That's how many people she's looking after!"

▷

"Lena needs to work to make ends meet," says a source.

Lena Hits Rock Bottom

During **Lena Headey**'s divorce from ex **Peter Loughran**, court documents revealed the *Game of Thrones* actress had just five dollars in her bank account. "Lena wasn't paid as highly as people thought," says an insider, "and going through a divorce didn't help matters." (The actress reportedly had to sell off her house at a loss as part of the divorce agreement.) Financial expert Bobbi Rebell says stars are just as susceptible to money problems as any gig worker. "To a large degree, celebrities have unsteady and unpredictable incomes."

Johnny's Downward Spiral

Johnny Depp's had a rough run financially in recent years. In 2020, he revealed he'd lost $650 million due to what he's alleged was financial mismanagement and owed the IRS $100 million in back taxes. "Celebs are easy prey for unethical financial advisors," says finance pro Rebell. The staggering setbacks came up during his public 2022 court battle with ex-wife **Amber Heard**, where his manager claimed Johnny had missed out on a $22.5 million payday for the sixth *Pirates* movie after Heard published an op-ed claiming to be a victim of domestic violence. A source says, "His career crisis, combined with legal bills, took a toll."

"Johnny went from being an A-list movie star to being untouchable," says a source.

Tori: Drowning in Debt

Tori Spelling can't catch a break in the money department. She reportedly owes $1.3 million in unpaid taxes and was sued over unpaid credit card bills in 2016 to the tune of $125,913. In May 2017, she and husband **Dean McDermott** were ordered to pay back $202,066 of an unpaid loan. "Tori and Dean are still trying to navigate the mess they created through bad choices and overspending," says a source (the pair share five kids). Notes a second source, "They live on the edge when it comes to their finances. Tori grew up rich and never learned the value of a dollar or how to manage her wealth."

"Her mom, Candy, is worth $600 million, but Tori still struggles," says a source of the *90210* vet, who inherited just $1 million from her TV producer dad.

"They are adamant they did nothing wrong and are appealing the verdict," an insider says.

"Kim has had a string of really bad luck," a source says.

Kim: Living In Her Car

After a 2015 rehab stay, former *Real Housewives of Beverly Hills* star **Kim Richards** was so destitute she was living in her car. "Kim's addiction to booze and pills really wrecked her financially," says a source. "Her life was a mess. She blew through her money and wound up homeless. She had no job and most of her friends had kicked her to the curb."

"Mike admits he's made some poor decisions," says a source, that got him in a bad, er, situation.

Mike Does Time

Jersey Shore star **Mike Sorrentino** spent eight months in a New York prison for tax evasion and reportedly still owes $2.3 million in unpaid taxes. Sources say he's paying it back — slowly. "He's working on his podcast and is selling workout supplements and fitness apparel through his company Brotrition," says one source. "His life isn't the glamorous one he flaunted on TV, but he's hanging in there."

Pam's Trailer Park Days

From rags to riches to rags again! After her humble beginnings in Canada, **Pamela Anderson** went on to find superstardom in Hollywood. She was pulling in $6.6 million a year during her time on the hit show *Baywatch*, but ended up living in a trailer a few years later. "Events occurred outside of my control which caused this temporary but embarrassing situation," she tweeted in 2010, the same year it was reported she owed $1 million in taxes. (She later blamed her own inexperience in showbiz.) "She was debt-ridden," says an insider. "She'd made some horrible business decisions, and it cost her everything."

Pam went from living in a Malibu mansion to residing in a trailer park. "She lost it all," says a source.

The Chrisleys Go Bust

In January, **Todd** and **Julie Chrisley** reported to prison after they were convicted of a multimillion dollar bank fraud and tax evasion scheme in November (Todd is set to serve 12 years; Julie was sentenced to seven years behind bars). "Todd and Julie are another example of reality-TV stars who were living too large," says a source of the *Chrisley Knows Best* pair.

WORKING STIFFS

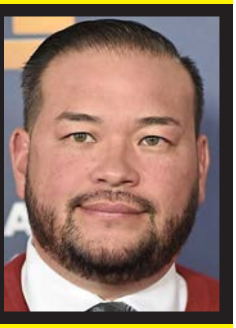
THE BILLS DON'T STOP AFTER THE CAMERAS STOP ROLLING.

KEVIN JONAS

When the Jonas Brothers split in 2013, Kevin started his own construction company. "[Singing] was my day job," he said in 2014, "now I'm doing this."

JON GOSSELIN

When *Jon & Kate Plus 8* ended in 2009, Jon had to figure out a way to support his large family, so he turned to deejaying. "I'm just that guy that happened to be on TV that plays music," he says.

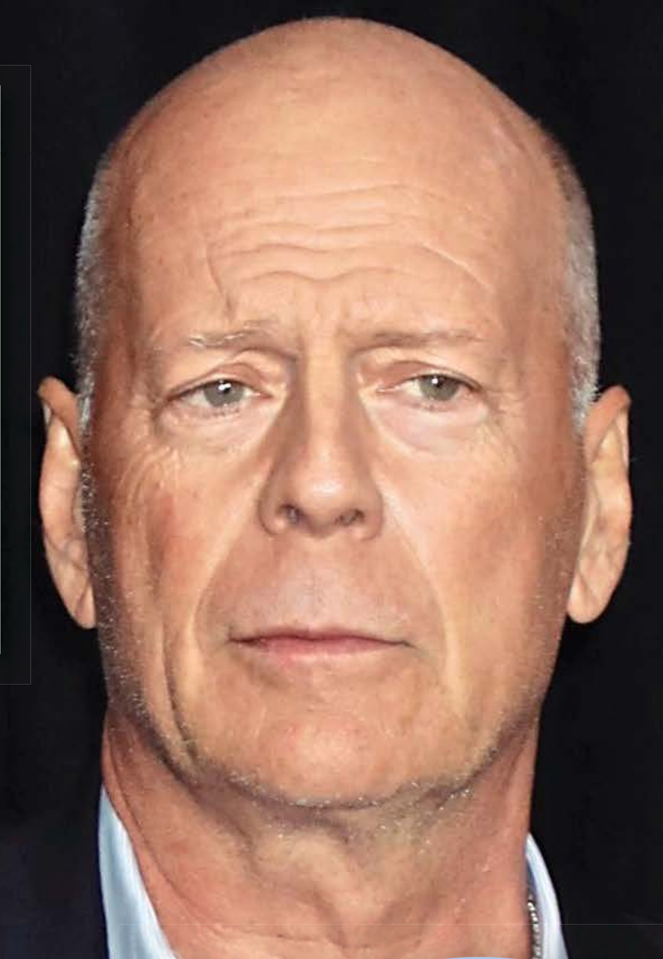


GEOFFREY OWENS

In 2019, the *Cosby Show* alum was job-shamed when a photo of him working at Trader Joe's went viral. "I found myself in the dark wood of unemployment and debt," he explained.

Happier Days

"The girls are sharing stories about their dad when they were little," says a source. "How Bruce loved to play his harmonica for them and make them laugh."



A DEVASTATING NEW DIAGNOSIS ROCKS THE BELOVED ACTION STAR AS HIS FAMILY FIGHTS TO BUILD MEMORIES — BEFORE IT'S TOO LATE.

Bruce's Sad Goodbye

“He’s been having trouble remembering things. He gets frustrated and moody.”

—a friend tells *Star*

TEN months after **Bruce Willis** revealed his aphasia diagnosis, his family received another devastating blow. The 67-year-old’s condition had progressed and he was now battling frontotemporal dementia (FTD). “Bruce has always found joy in life — and has helped everyone he knows to do the same,” the *Die Hard* actor’s family wrote in an open letter signed by wife **Emma Heming** and their two kids, Mabel and Evelyn, as well as his ex-wife **Demi Moore** and her daughters with Bruce, **Rumer**, **Scout** and **Tallulah**. “Your continued compassion, understanding and respect will enable us to help Bruce live as full a life as possible.”

As their patriarch’s health deteriorates, Bruce’s family has come together like never before. “They’ve forged a real lasting bond over this tragedy,” a source tells *Star*. “They know they can lean on each other.” They will need the support: FTD is a devastating diagnosis that can leave patients unable to communicate and can cause changes in behavior that are heartbreaking for loved ones to witness. “They may ‘lose’ the Bruce they know and love,” says the source. “He may stop knowing them and stop knowing who he is. It terrifies them.”

DREAD DISEASE

FTD is a neurodegenerative disorder that results from a buildup of proteins in the brain that damage its frontal and temporal lobes. According to experts, it’s a type of dementia that affects younger people in their 40s, 50s and 60s and is relatively rare, with an estimated lifetime risk of one in 742. Because of the parts of the brain that are affected, patients can lose their ability to communicate. More disturbing, they can lose their social awareness, exhibiting unusual behavior, “such as acting out, disrespecting loved ones, losing empathy, motivation and understanding,” Mayo Clinic neurologist Gregg Day told NBC News.

This has left Bruce’s family in a race against time. “He’s been having trouble remembering things and forming words,” says the source. “It makes him frustrated and moody at times.” As their dad slips away, his daughters are determined to continue creating memories. Currently pregnant with his first grandchild, Rumer, 34, has been sharing every kick, says the source. “She’s been taking lots of photos and videos of their family time together. It’s been fun, but bittersweet too.”

Scout, 31, and 29-year-old Tallulah are also sharing stories with their young half sisters, Mabel and Evelyn, who are just 10 and 8. “It’s really scary for them to see their father so weak and incapacitated,” says the source. “Rumer, Scout and Tallulah are there for them to talk to.”

SISTER WIVES

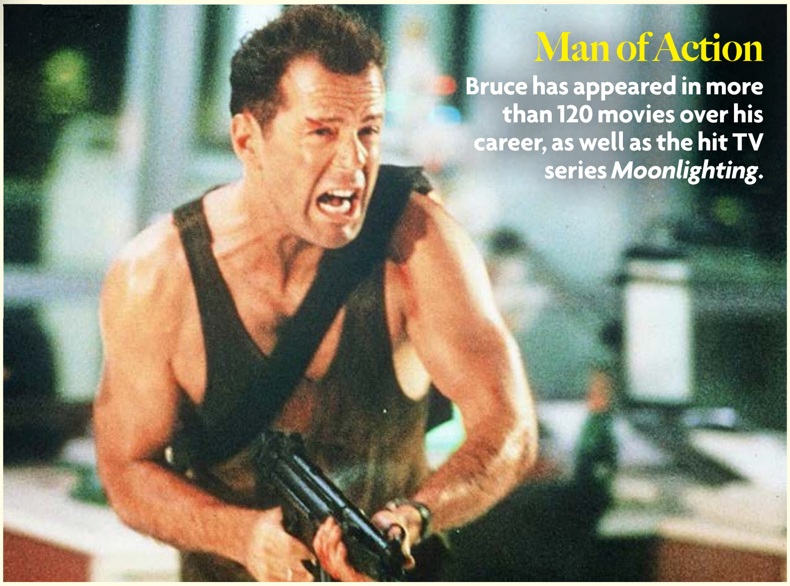
Fans have long marveled at how the action star stayed close with Demi long after their 2000 divorce — and that the 60-year-old was so friendly with his wife of 13 years, Emma, 44. “We’ve become like a tribe,” Bruce once said, adding, “It’s generated a lot of interest because everyone can understand resentment and envy in the breakup of a marriage, but they don’t understand how I can get along with my ex like that.”

More important, Demi and Emma get along so well. “They communicate constantly,” says the source. “Emma, Demi and the kids have all risen to the occasion and put Bruce’s needs ahead of their own.” As the disease progresses, they’ve agreed to share care. “But when it gets to the point that Bruce’s family can no longer take care of him on their own,” continues the insider, “they will hire caretakers to come to the house.”

For now, Bruce has good days and bad days, says the source. “He’s often confused and his motor skills are greatly impacted,” says the source. “No one knows how the disease will progress. They’re enjoying what time they have left.” ★

Leaning In

“Demi’s been there for Emma and the kids,” says the source. “When Emma needs to get out of the house, she knows she can count on Demi to be there.”



Man of Action

Bruce has appeared in more than 120 movies over his career, as well as the hit TV series *Moonlighting*.

Wedding Bells
"Brad and Ines are figuring out whether they want a long engagement or to wed quickly," says an insider. "There are pros and cons to both."

Brad & Ines: ENGAGEME SURPRI

AS **BRAD PITT** AND **INES DE RAMON**'S RELATIONSHIP GETS MORE SERIOUS, HE PLANS THE PERFECT PROPOSAL.

NT
SE!

Bitter Ex

"Angelina found out about Ines through mutual friends," says an insider. "There's no big fuss on her part, but she won't be sending any congratulations message."

ON Feb. 17, **Ines de Ramon** and her estranged husband, *Vampire Diaries* vet **Paul Wesley**, both filed for divorce in L.A. Superior Court. The pair announced their separation in September 2022 after four years of marriage. (A rep at the time said they'd split five months prior.) Both Ines and Paul cited the same reason for the divorce: "Irreconcilable differences."

Ines may have something else in mind. Since November, the jewelry designer and health coach has been dating **Brad Pitt** and sources tell *Star* the smitten 59-year-old is ready to pop the question! "Brad is certain this is a relationship that's built to last," says an insider. "He's totally convinced Ines is his soulmate."

BEACHY PROPOSAL

While Brad is currently shooting *Wolves* in NYC with bestie — and potential best man — **George Clooney**, the insider says he's planning to propose on the beach by his new $40 million home in Carmel, Calif. "He and Ines have spent a lot of their alone time there," explains the insider. "He'll do it the old-fashioned way by getting down on one knee and whipping out a beautiful ring."

The 30-year-old already has the thumbs-up from the *Bullet Train* actor's crew. In December, the couple attended a **Bono** concert with his pals, including **Cindy Crawford**, **Rande Gerber** and **Sean Penn**. Later that month, she was his date at his birthday celebration in L.A. and that same month they mingled together at the premiere of his movie *Babylon*. "Brad says what he and Ines share is really special," says the insider. "He says she has impeccable taste and loves that she shares his passion for the arts, travel and experiencing new cultures."

Especially since Brad has become a bit of an artist himself, taking up sculpture after his nasty split from wife **Angelina Jolie**, mom to his six kids. "Out of this misery came a flame of joy in my life," he said of his artwork, adding that it helped him reflect on himself. "I was looking at my own life and really concentrating on my own s**t. Where was I complicit in failures in my relationships? Where have I misstepped?"

FINAL OBSTACLE

Of course, Brad is still hashing out his divorce and custody with the *Eternals* star. But with Ines moving to legally untangle herself from her marriage, he's more motivated than ever to end his years-long battle with Angelina. "Paul filing paperwork gives Brad the perfect springboard to take the next step," says the insider. "He and Ines are hoping to tie up any loose ends with their respective exes as soon as possible and press ahead with their new life together."

That new life may include a new family. Brad and Ines' 30-year age gap isn't an issue for the actor, says the insider, it's a plus: "She's at the perfect age to have kids, which he totally wants."

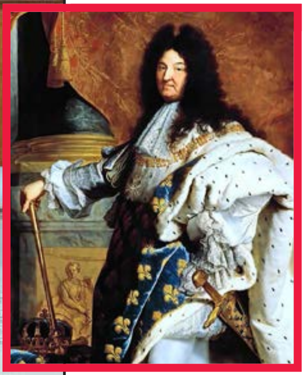
As for his offspring with Angelina, the couple is taking it slow. "Ines has been around when Brad's FaceTiming the kids but hasn't met them yet," says the insider. "Things are still sensitive between him and Angelina and he sees no reason to poke that bear, so to speak." ★

Moving On

Since his split from Ines, Paul has been linked to model Natalie Kuckenburg.

SHOCKING *Family*

CALL HER YOUR MAJESTY!



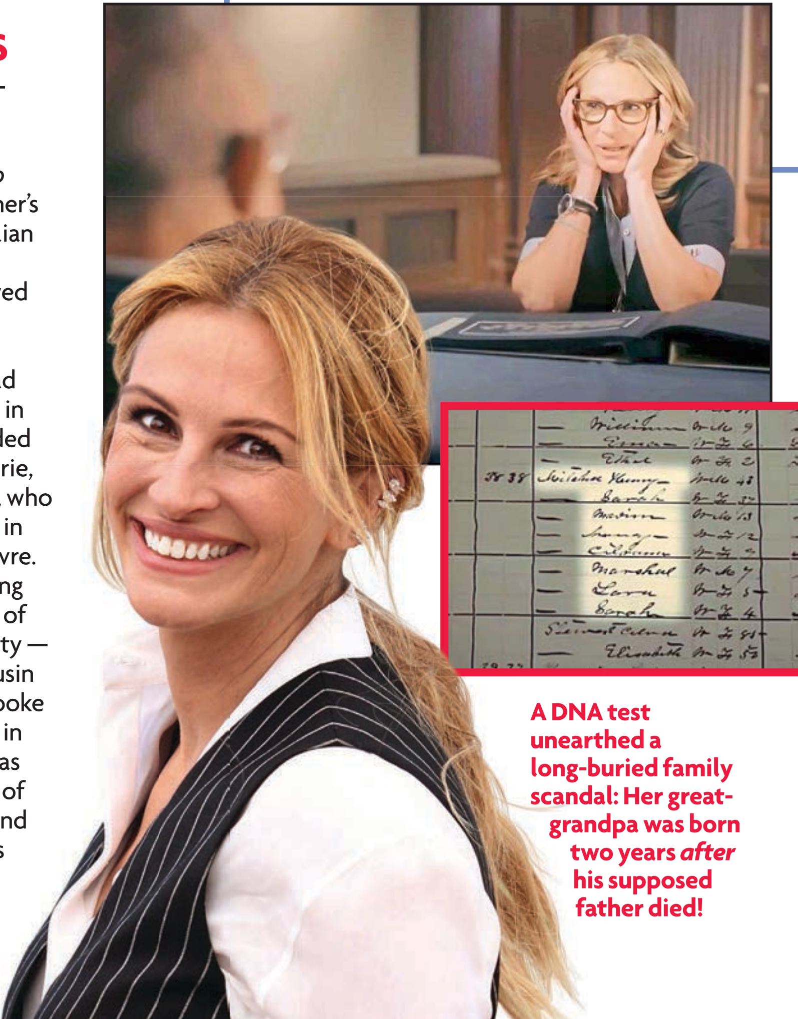
Louis XIV ruled France from 1643 until 1715.

JULIA ROBERTS

"Wow. Is my head on straight still?" gasped the *Ticket to Paradise* star after *Finding Your Roots* host **Henry Louis Gates Jr.** informed her that she was in fact not Julia Roberts — she is Julia Mitchell. "My mind is blown." The 55-year-old's true great-great-grandfather was a married man who had an affair with her widowed great-great-grandmother, Rhoda Suttle Roberts. When Rhoda gave birth, she gave the child her own married name, but DNA testing proved the real father was Henry McDonald Mitchell Jr. Don't worry, though, Julia won't be changing her famous moniker, concluding "I do prefer the name Roberts."

BROOKE SHIELDS

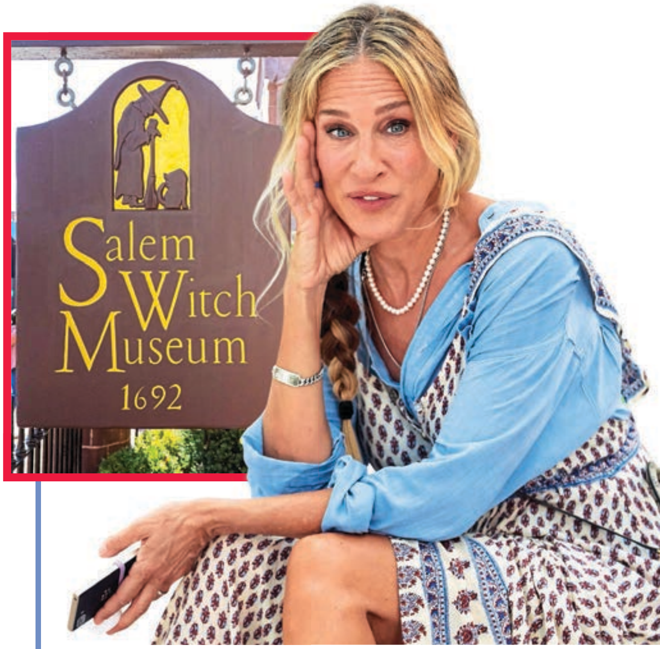
Royal surprise! The 57-year-old already knew she had aristocratic roots when she appeared on NBC's *Who Do You Think You Are?* Her father's father had married into Italian nobility. But as the *Castle for Christmas* star followed her family tree further back, she discovered the Italian branch had actually originated in France, and included one Christine Marie, Madame Royale, who was born in 1606 in the Palais du Louvre. Her father was King Henry IV, founder of the Bourbon dynasty — making Brooke a cousin of King Louis XIV! Brooke took her lofty roots in stride, saying she was "an amalgamation of all these people and all of these genes and all of these experiences."



A DNA test unearthed a long-buried family scandal: Her great-grandpa was born two years *after* his supposed father died!

THESE STARS FOUND SOME SURPRISES WHEN THEY STARTED DIGGING INTO THEIR ROOTS ON GENEALOGY DETECTIVE SHOWS.

Secrets!



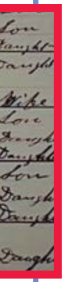
JOE MANGANIELLO

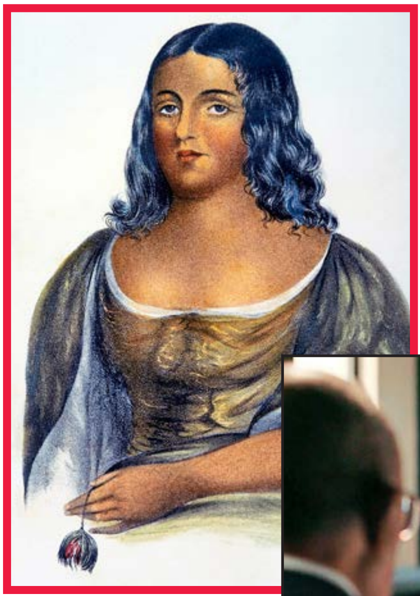
The twists kept coming for the *Magic Mike's Last Dance* star when he stopped by PBS' *Finding Your Roots*. "I feel like a time traveler," the 46-year-old marveled as host Henry Louis Gates Jr. not only identified a German soldier who had impregnated his great-grandmother after she lost eight children in the 1915 Armenian Genocide, but also provided a photo! Then he got another shocker: He was in no way related to his supposed great-grandfather on his father's side. Turns out, Joe descends from a light-skinned African-American man — plus, his fifth great-grandpa on that line, Plato Turner, was a Black soldier in the Revolutionary War!

Host Gates (left) got permission from Joe's dad before the big reveal.

SARAH JESSICA PARKER

Sure, she was in *Hocus Pocus*, but the 57-year-old was shocked to discover she had ties to the Salem witch trials! *Who Do You Think You Are* uncovered a long-forgotten English branch of her family that included a fourth great-grandfather on her mother's side who had died during the 1849 Gold Rush in California. An even more distant relative was caught up in the infamous witch trials that rocked colonial Massachusetts: In November 1692, her 10th great-grandmother, Esther Elwell, was accused of "sundry acts of witchcraft" leading to the death of a Gloucester woman. Luckily for Esther, the case never made it to the infamous trials. She lived to the rip old age of 82!





Pocahontas was captured and held for ransom by British settlers in Jamestown, Va.

EDWARD NORTON

Family lore turned out to be true for the *Glass Onion: A Knives Out Mystery* star. Host Henry Louis Gates Jr. confirmed that the 53-year-old was a direct descendant of Pocahontas, the Native American woman who married English settler John Rolfe in 1614. "This is about as far back as you can go, unless you're a Viking," Edward mused. "Makes you realize what a small piece of the whole human story you are."

HIS AMERICAN ROOTS GO DEEP!

The Expert Is In

CELEBRITY MAKEUP ARTIST SABRINA BEDRANI

The glam pro and ambassador for Dior Makeup tells *Star* how to re-create **Natalie Portman**'s beauty look for her new Miss Dior Blooming Bouquet campaign.

"This makeup perfectly reflects the Miss Dior Blooming Bouquet — it's fresh, natural but yet sophisticated," says Sabrina.

1 **What's the key to achieving radiant skin like Natalie's?**
Keep the face fresh, dewy and not too heavy by using a primer like the Dior Forever Glow Veil.

2 **How can you prevent foundation from looking thick?**
Use a light, fluid foundation that's also hydrating. It will allow the skin to shine through with a natural dewiness.

3 **We love how her eye makeup is subtle yet stands out. How can you get that same effortlessly striking look?**
Use browns and earth-tone shades — Dior 5 Couleurs Couture 649 Nude Dress is the perfect palette. Start by using the lightest color all over the lid to brighten the eye, followed by a soft brown in the middle of the lid. Lastly, apply the darkest brown on the crease, outer corner and along the lower lash line.

4 **When it comes to your pout, what's the trick to creating that no-makeup makeup finish?**
Using your fingers, dab a lipstick that matches your skin tone onto lips. Then, apply a colored lip balm for a little moisture and shine.

CREED III

Michael B. Jordan, Jonathan Majors, Tessa Thompson
In theaters Fri., March 3 PG-13

Grudge match! The thrilling threequel finds boxer Adonis Creed (Jordan, also making his directorial debut) thriving both in the ring and in his love life with Bianca (Thompson) when his past catches up to him. Adonis' childhood buddy and former boxing prodigy Damian (Majors) resurfaces after serving a long prison sentence — and he has a score to settle with his famous friend. Can Adonis repay his debt to Damian by giving him a shot in the ring? Sometimes war is the only way to make peace. While a *Rocky* spinoff sequel without Rocky Balboa (alas, **Sylvester Stallone** doesn't return) takes getting used to, franchise fans will enjoy the homage to *Rocky 3*'s beach-running scene. *Creed II* antagonist Viktor Drago (**Florian Munteanu**), son of *Rocky 4* nemesis Ivan Drago, also makes a surprising appearance before his planned spinoff film. Marvel devotees can also revel in the battle between the actors who played *Black Panther* villain Killmonger (Jordan) and *Ant-Man and the Wasp: Quantumania* villain Kang (Majors). But in the end, *Creed III* works on its own terms as an emotional epic filled with blood, sweat and tears.

YOUR STARS

or the week of March 13–March 19

By Jennifer Angel

EVA LONGORIA
Turns 48 on March 15

PISCES FEB. 19–MARCH 20

This is your time to make a big difference in your life, so don't allow anyone to dampen your spirit. Be prepared to step out of your comfort zone and move toward your dream. Stay true to yourself!

ARIES

MARCH 21–APRIL 19

Use this time to straighten out your finances. Either evaluate your budget or find a job that pays more. This is an ideal time to get in touch with what truly inspires you.

TAURUS

APRIL 20–MAY 20

As Venus moves into your sign, love and money are on your radar. Well-meaning friends could have good advice for you, but you need to make your own decision at the end of the day.

GEMINI

MAY 21–JUNE 20

Pay close attention to what's happening around your career. A challenge may confront you, but it has the capacity to weed out anything that's not connected to your life purpose.

CANCER

JUNE 21–JULY 22

You are highly intuitive — trust your instincts. If it feels right, it probably is, and if it doesn't, then you should question someone's intentions.

LEO

JULY 23–AUG. 22

It's possible to find true love, but you have to let go of the past to embrace a healthy relationship with someone new. A friend can show their true colors, so pay attention.

VIRGO

AUG. 23–SEPT. 22

It's all about love right now; however, if you want to build a deep and lasting relationship with someone, be prepared to share more of your inner thoughts and values.

LIBRA

SEPT. 23–OCT. 22

Love is in the air! Don't get distracted by who other people — especially family — think you should or shouldn't be dating. With work, get organized to accomplish more on your long to-do list.

SCORPIO

OCT. 23–NOV. 21

As goddess Venus makes her move into your relationship zone, prepare to have fun and not get too serious. Enjoy the romance ride and just see what develops organically.

SAGITTARIUS

NOV. 22–DEC. 21

A remote job is a great match for you. If that isn't possible, then be flexible with your time. Your home, love life and health all need your attention this week.

CAPRICORN

DEC. 22–JAN. 19

Do not take on too much as it will scatter your energies. Be realistic about what you can and cannot achieve. Commit to one thing at a time and push forward.

AQUARIUS

JAN. 20–FEB. 18

Be mindful of sharing your finances with friends, as mixing business with your personal life is not always the right move. Alleviate any stress by doing something creative.

Show of Force

London, Feb. 22

Back in action! **Pedro Pascal** attended a photo-call for season 3 of *The Mandalorian* at Piccadilly Circus. The beloved *Star Wars* series follows the infamous bounty hunter Din Djarin and Grogu (a.k.a. Baby Yoda) on a dangerous journey through the galaxy toward Mandalore. “There will be an epic battle… plural? Maybe?” the actor, 47, hinted. As for his adorable companion, “Grogu is very good. Still learning, teaching, protected, protecting,” Pedro said. “I think if I say anything more, I’ll be replaced. Like not just as the Mandalorian, but as a human being in life.”
